CONTRIBUTION INFORMATION & IMPORTANT DISCLOSURES

THANK YOU FOR HELPING US SET THE TABLE.

TAX-DEDUCTIBILITY

Contributions may be tax-deductible to the extent permitted by law only when made to an eligible tax-exempt organization or through an authorized fiscal sponsorship arrangement. The receiving legal entity and its tax status must be confirmed before tax-deductibility is represented.

SPONSOR BENEFITS

If goods, services, admission, advertising, or other substantial benefits are provided in return, the deductible portion, if any, may be less than the amount paid. The receiving organization will provide applicable disclosures.

OFFICIAL ACKNOWLEDGMENT

A formal contribution acknowledgment will be issued after an accepted contribution is received and processed, identifying the receiving organization, the amount received, and applicable goods or services provided in exchange.

IN-KIND CONTRIBUTIONS

Donated goods and services require advance acceptance. The organization may describe donated property in an acknowledgment but generally will not assign a donor-claimed fair market value. Donated services are generally not deductible as charitable contributions.

YOUTH PRIVACY & RECOGNITION

No sponsorship guarantees selection or naming of a particular honoree. Donors will not receive confidential youth records or access to young people without approved safeguarding and consent procedures.

NEXT STEPS

Submit this completed form to the authorized Torch of Care National Tour team. MCWEF will confirm availability, receiving-entity details, payment instructions, recognition benefits, and any required contribution documentation.

A pledge is not a completed donation. Please do not include payment card information on this form.
